

North Carolina Augmentative Communication Association

NCACA Functions in accordance with Federal and North Carolina State Regulations for a non-profit organization.

2017 NCACA Membership Application

The North Carolina Augmentative and Alternative Communication Association is committed to providing leadership in the promotion of the best possible communication for people of NC with complex communication needs. Critical to our achieving this mission are the partnerships, which we have established with service providers, educators, researchers, manufacturers, state agencies, legislators, person with complex communication needs and their families.
